

XLE-212

WRAPAROUND LABELING MACHINE

High Precision Labeling
for Round Containers

25-35
Bottles/Minute

±1 mm
Labeling Accuracy

TOUCHSCREEN
Easy Operation

STABLE & RELIABLE
Low Maintenance

IDEAL FOR MULTIPLE INDUSTRIES

BEVERAGE

FOOD

COSMETICS

PHARMACEUTICAL

CHEMICAL

XLE-212

WRAPAROUND LABELING MACHINE

YOUR SMART CHOICE FOR AUTOMATIC LABELING SOLUTIONS

The XLE-212 Wraparound Labeling Machine is a fully automatic labeling system designed for precise application of self-adhesive labels on round bottles, jars, cans and cylindrical containers.

KEY FEATURES

- ✓ Automatic wraparound labeling
- ✓ High accuracy up to ± 1 mm
- ✓ 25-35 bottles per minute
- ✓ Intuitive touchscreen HMI
- ✓ Wide range of container sizes
- ✓ Easy adjustment and changeover
- ✓ Stainless steel construction
- ✓ Stable performance, low maintenance

TECHNICAL SPECIFICATIONS

Labeling Accuracy	± 1 mm
Labeling Speed	25 – 35 pcs/min
Label Length	20 – 150 mm
Label Width	10 – 160 mm
Product Diameter	$\varnothing 25 - 120$ mm
Product Height	25 – 300 mm
Power Supply	AC220V, 50/60Hz
Power Consumption	1.5 kW
Air Pressure	0.8 MPa

APPLICATIONS

Beverage

Food

Cosmetics

Pharmaceutical

Chemical

BENEFITS

- ✓ Increase production efficiency
- ✓ Improve product appearance
- ✓ Reduce labor cost and waste
- ✓ Enhance quality consistency
- ✓ Flexible for multiple products
